Dear Fellow Members,

It was great pleasure that the IMechE Chief Executive Officer, Mr. Stephen Tetlow and the Business Development Manager, Mr. Tom Owen visited Malaysia recently, and met up with our members in a networking session. This was a valuable platform where views were shared between local IMechE members and IMechE HQ.

For coming months, we have planned a series of events, including our annual dinner. We are looking forward for your participation.

Ir. C.C. Chow

Past Events

4.0 Student Chapter Launch in Universiti Teknologi PETRONAS (UTP), Perak

After 9 months of efforts, the UTP Student Chapter was finally launched on 14th August 2015 in the presence of the Head of Department (HOD) of Mechanical Engineering Department of UTP, Associate Professor Dr. Ir. Masri Bin Baharom, IMechE Malaysia Branch Chairman, Ir. Mathew Thomas, and Main Committee Member, Prof. Ir. Dr. Ong Kok Seng.
The Student Chapter Launch Certificate was presented by Ir. Mathew Thomas to AP. Dr. Masri Bin Baharom as a symbol of the official launching of the student chapter. Two IMechE pull-up banners were also presented to Dr. Dereje Engida Woldemichael and Mr. Mouaath, the Protem Chairman of the UTP Student Chapter, respectively.

Prof. Ong Kok Seng then delivered a technical talk, titled “Energy and Energy Efficiency through Heat Pipe / Solar Energy / Thermoelectric”, which attracted great interest of UTP’s lecturers and students.

5.0 ENGNOW 2015
Hosted by Monash University Malaysia (MUM) IMechE Student Chapter (SC), the 2nd Edition of ENGNOW Malaysia was held on 12th September.

ENGNOW Malaysia 2015 served as a platform for IMechE Young Members to hone their design, problem-solving, and presentation skills through participation in the two competitions, namely Speak Out for Engineering (SoFE) and Design Competitions. More than 70 people attended this splendid event.

Thanks to the Panel of Judges for the two events:
1) Mr. Jeswan Singh
2) Miss Sugania Kesavan
3) Mr Victor Ong
4) Ir. Kesavan Jaganathan
5) Mr. Chen Khin Fai

SoFE
All contestants were given 20 minutes to deliver an oral presentation on a subject relating to mechanical engineering, followed by 10 minutes for discussion and questions from the panel of judges and the audience.

Mr. Vishant Selvarajah from Universiti Tunku Abdul Rahman emerged as the Champion, while Mr. Rumeys Samath from Monash University Malaysia was declared as the Runner-Up.

Design Competition for the Hearing Impaired
Participating teams were given a platform to showcase their design prototypes before the competition and to give a detailed presentation explaining how their ideas could be useful and realistic for the people in need during the competition.

Team UNITEN emerged as the Champion with an absolutely creative and innovative design prototype, while Team MONASH came Runner-up in the Design Competition.
