EXCLUSIVE INSIDE LOOK, ROLLS-ROYCE MOTOR CARS LTD.

Sussex and Surrey Area are delighted to invite you to our exclusive look inside the Rolls-Royce Motor Car Factory.

With a shared ambition to make the future of motoring extraordinary, the Honourable Charles Rolls and Sir Henry Royce joined forces in 1904. Despite being from very different backgrounds, the founders of Rolls-Royce Motor Cars formed an unlikely partnership – one forged from a shared passion for engineering and a desire to create the Best Car in the World.

Today each Rolls-Royce motor car is built by hand at their state-of-the-art manufacturing facility and headquarters in Goodwood, England.
