# TECHNICAL VISIT TO THE BOURNEMOUTH AVIATION MUSEUM

**Join us** for a technical visit to this hands-on museum. Various aircraft can be accessed including a Canberra, Hunter and Vulcan.

A gift shop for books, models and aircraft instruments will be open together with the café for beverages and light refreshments.

Two ex-RAF museum volunteers will be available to conduct a tour and the museum's Cessna 172 simulator will be made available for us to use for two hours.

**This visit is free to all IMechE members and non-members. Plenty of free parking is available on site for our visit.**

**10:45 am for 11:00 am start**
