## **Refurbishment Mock Up Training Facility Expectations and Regulations**

The DEC Refurbishment Mock Up Training Facility is a designated an industrial construction area (as per Ministry of Labour). Please be aware of and be expected to follow the regulations listed below.

1. When you arrive at the Darlington Nuclear Information Centre at the DEC, if you are travelling by bus, please have your driver check in with Public Affairs staff. If you are driving a personal vehicle, please park in the Information Centre Visitor Parking (see map below) or in the general parking area (east end of the parking lot).

2. Visitors entering the Mock Up Training Facility will be required to wear hard hats, safety glasses and safety shoes, which will be provided. Given the industrial environment, skirts and shorts are not advisable. We suggest that long pants be worn.
3. Visitors must be 16 years of age or older to enter this facility.
4. Handbags, briefcases, and knapsacks are not permitted on the Mock Up tour. If you wish to take photos with your cell phone, please ensure that workers are not in the photo frame. This is for privacy purposes.
5. The following items are NOT allowed in the Mock Up facility: beverages, foodstuffs, lipstick/ chapstick, cigarettes, cigars or lighters.
6. A Mock Up facility tour may include the use of grated stairs. The Mock Up facility does not have elevators. Please let your tour lead know if you will not be using the stairs.
