East Midlands Region
Derby / Nottingham Area Committee

VISIT
EAST MIDLANDS AEROPARK

Institution of MECHANICAL ENGINEERS

East Midlands Aeropark is both an aviation museum and a viewing area where you can study the preserved planes of yesteryear or watch the modern airliners of today taking-off and landing at a growing international passenger and cargo airport.

The museum collection includes a Vulcan B2, a Nimrod R.1 and an English Electric Lightning.

The visit will include a guided tour of the aircraft collection and an opportunity to go inside some of the larger aircraft.

Suitable footwear is required (i.e., no high heels or open shoes such as sandals) and visitors will need to climb steps to access some of the larger aircraft.

Members and guests are welcome to join us for an enjoyable and interesting visit. The visit will start promptly at 6:00pm.

6:00pm Thursday 27th April 2023

Location: Hill Top, Castle Donington, Derby, **DE74 2PR**

Limited places. To book a place:
