About RAF Wyton:

RAF Wyton's rich history includes initial military use as a training airfield for the Royal Flying Corps (1916), formation of the legendary WW2 Pathfinder Force (1942) and 40 years of as a base for photographic reconnaissance (1953 – 1993).

Today, RAF Wyton continues to provide intelligence support to the Armed Forces deployed on operations around the globe as a Joint Force Command Station.

About the visit:

This tour of the RAF Wyton Heritage Centre will cover the WW2 Pathfinder Force Museum, the Imagery Intelligence collection and the Timeline history of Wyton.

Pre-registration is required on or before Wednesday 9th March via: https://nearyou.imeche.org/near-you/UK/East-Midlands/Peterborough-Joint-Area/event-detail?id=19903
