

	BIOGRAPHICAL INFORMATION	POLICY STATEMENT
	<p>My name is Mahendra Prabhu SUBRAMANI. I am 32 years old, born and educated in India. I hold a Master’s degree in engineering design from College of Engineering, Guindy, India. I am registered as a Chartered Engineer and a Member of the Institute of Mechanical Engineer since July-2020. Currently I am residing and working in Paris, France since 2018. I have more than 11 years of experience in Oil and Gas EPC (Engineering, Procurement, Construction) organization. Apart from work I am interested in Energy transition and new emerging technologies in Oil & Gas. Off late running Marathons has become my hobby. This has improved my focus, physical, and mental endurance.</p>	<p>As a young member representative, I will do the following things to promote IMechE at European region.</p> <ul style="list-style-type: none"> • Promote the IMechE activities at university level using the regional network and volunteers and make the students aware of the benefits and opportunities. • Conduct more webinars and IMechE activities at region in collaboration with local chapter based the themes and goals set by the Strategic team for the region. • Try to improve the relationship with academic and Industries regional level with use of networking and volunteers. I will accomplish these goals in close collaboration with regional chair and committee members.
