Tour of SPP Pumps Ltd manufacturing facility in the Forest of Dean. This event will give an insight into manufacturing and testing of pump packages; SPP has one of the largest pump test facilities in the UK with a 1.3 million litre test tank. Engineering complex projects through collaboration with our parent company Kirloskar Brothers Limited, based out of Kirloskarvadi India.

We would ask visitors to bring safety shoes, all other PPE will be provided where required. Note safety shoes are not mandatory for the visit, but will allow visitors to get closer to look at the product.

Light refreshments will be provided.
