NGONG PING 360 RESCUE TRAIL

Institution of MECHANICAL ENGINEERS
Hong Kong Branch

Ngong Ping 360 Rescue Trail, it connects Tung Chung and Ngong Ping and is now used as the rescue and maintenance of Ngong Ping 360. The alignment of Ngong Ping Trail is almost identical to that of Ngong Ping Cable Car, so you could be up close to appreciate the design and construction of the cable car system.

This is considered a moderately challenging route with never ending steps and staircases it takes around 3 hours to complete.

Part A: Hiking (7.6km Guided)
Tung Chung MTR → Ngong Ping 360 Rescue Trail → Ngong Ping Village

Ngong Ping Village is the dismiss point for participants joining Part A hiking only. Participant could take bus no.23 / cable car back to Tung Chung MTR.

Part B: Trail Running (Optional & Unguided Self-run)
Ngong Ping Village → Tei Tong Tsai Country Trail → Tung Chung Road → Tung Chung MTR
