**UNITEN Malaysia Student Chapter**

Institution of  
**MECHANICAL ENGINEERS**

Dear Fellow Members,

Welcome to our first newsletter for IMechE UNITEN! We aim to provide you with valuable insights and important updates for our club via quarterly newsletters.

We look forward to your support for our coming activities and events.

Duane Yeoh Du-Wei

## Past Events

### 1. IMechE Speak Out for Engineering (SOfE)

On the 30<sup>th</sup> of June, The University of Southampton in Iskandar Puteri, Johor Bahru hosted the National round of SOfE where 7 participants from all over Malaysia competed on a presentation of their chosen topics to exhibit their public speaking prowess and simplify complex topics to the audience. The 2 winners of this event would represent Malaysia in the Regional Round. First place went to the representative from Universiti Malaya, Mr Muhammad Syafiq, while the Runner-up, Mr Bhoshaga Mitrran represented Universiti Tenaga Nasional (UNITEN).

Naturally, the UNITEN student chapter committee went to witness and support their representative in the competition.

### 2. Government Linked Universities Open Day

On the 30<sup>th</sup> of June, IMechE UNITEN was among 2 clubs selected to be a part of the entourage representing Universiti Tenaga Nasional as part of an exhibition to promote Government Linked Universities (GLU) among which there are 4 in Malaysia, namely, Universiti Teknologi Petronas (UTP), Multimedia University (MMU), Universiti Kuala Lumpur (UniKL) and Universiti Tenaga Nasional (UNITEN).

Of the numerous clubs in UNITEN, IMechE UNITEN and IET (The Institution of Engineering and Technology) were selected to show the diversity of the student life in UNITEN from the extracurricular aspect, as UNITEN students are not only academically savvy.

## Coming Events:

### 1.0 “Why Industrial Revolution 4.0 Makes Engineering Relevant for Multiple Career Paths” by Dr Rahmat Shazi.

Dr. Rahmat Shazi, the Director at Strand Aerospace Malaysia Sdn Bhd. He was also formerly a Mechanical Engineering Lecturer at Universiti Teknologi PETRONAS (UTP) for 13 years. This talk will expose students on how relevant engineering is in this era, especially with the much talked about Industrial Revolution 4.0, and how engineers will be at the centre of this revolution. The speaker will share with the students on what role will engineering play.

Date: 9<sup>th</sup> August 2018 (Thursday)

Time: 8pm – 10pm

Venue: BM-0-010, College of Engineering, UNITEN

### 2.0 Mechanical Engineering Department Design Week

IMEche UNITEN will once again have the honour of organising the Mechanical Engineering Department Design Week for semester 1, 2018/2019. This event was held to hone UNITEN students’ talent in the area of engineering design and presentation skills. The three competitions that will be held in conjunction with the ME Department Design Week are:

- i) Machine Design Competition
- ii) Mechanical Design Process Competition
- iii) Capstone Design Process Competition.

This design week will showcase the innovative designs and products produced by mechanical engineering students of UNITEN.

Date: 28<sup>th</sup> till 30<sup>th</sup> August 2018

Time: 9am - 4pm

Venue: The Link, College of Engineering, UNITEN
