

## **Red for Danger**

**Cliff Perry**

**23 January 2020 – The Quadrant (MK9 1EN) Milton Keynes, F-G01**

Arrivals and refreshments from 17:00

Talk starts at **17:30** and ends around **19:00**

### **Description**

“Red for Danger” is Cliff Perry’s personal view of the factors that lie behind our current safety achievement as the safest big railway in Europe, with evidence from his engineering management experience and lessons for the future.

### **Speaker**

Cliff Perry is a Past Chairman of the Railway Division with a lifelong interest in Railway Safety and a career that included senior engineering and management positions in BR and the Private sector. These include the MD of Thameslink, as well as roles with BR Research and AEA Technology Rail. As a Board Member of Irish Rail, he chaired the Board level Safety Group.

A trustee of the Railway Mission, he was awarded the MBE in 2018 for “Services to Railways”

### **The Event is FREE and open to all!**

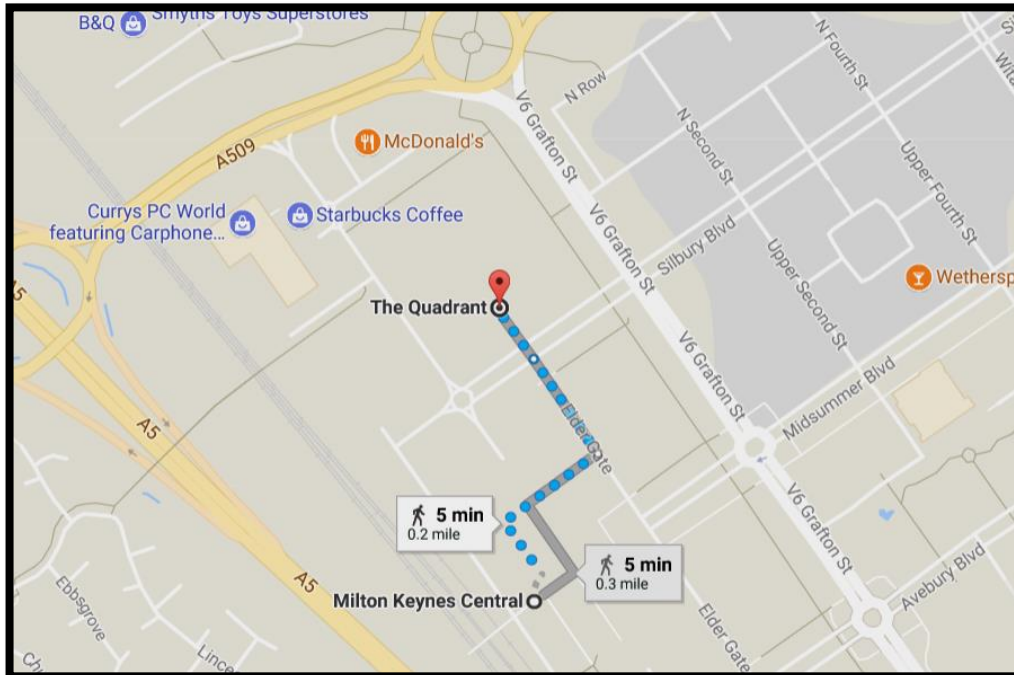

Light refreshments will be provided prior to meetings. Please book, if you can, to assist catering numbers using either the QR code or the link below. If you cannot book feel free to attend it anyway.
