

CAF: TRAIN INTRODUCTION

Graham Taylor, CAF

18 April 2019 – The Quadrant (MK9 1EN) Milton Keynes, F-G01

Arrivals and refreshments from 17:00

Talk starts at **17:30** and ends around **19:00**

Description

CAF have been in existence for over 100 years but only entered the UK rail market towards the end of 20th century. Anyone who has taken a train in Northern Ireland, taken the Heathrow Express or boarded a tram in either Edinburgh or Birmingham will have travelled on one of CAF's products. Soon many more GB rail travellers will be able to enjoy the "CAF experience" as new EMU's, DMU's and Coaches are introduced across the GB network.

The talk will cover the introduction of new CAF vehicles and the complex acceptance process, the fleets to be introduced and details of the new factory in Newport which is now producing trains.

Speaker

Graham Taylor is a Fellow of the Institution and was, until recently, the Vice Chair of the Professional Review Committee with specific responsibility for CEng accreditation.

Graham has had a wide and varied career in heavy engineering since graduation and worked in sectors including Power, Oil & Gas as well as both new Build and Maintenance of passenger Rolling Stock. He has worked for major multi-nationals as well as SME's and has experience in many corners of the globe. Most recently Graham has been the Chief Operating Officer of CAF in the UK.

The Event is FREE and open to all!

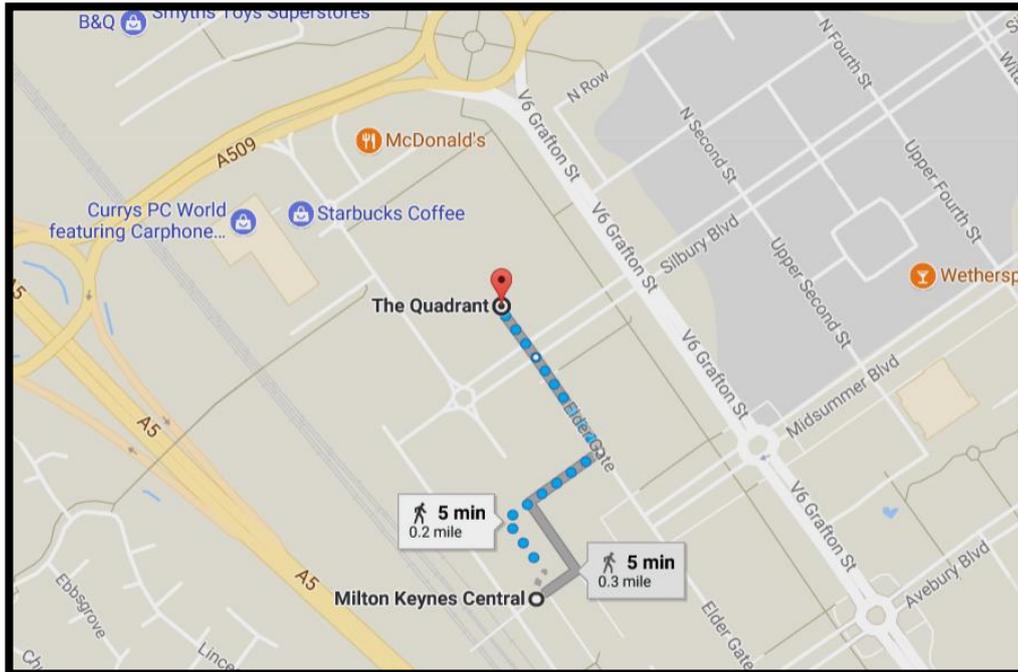

Light refreshments will be provided prior to meetings. Please book, if you can, to assist catering numbers using either the QR code or the link below. If you cannot book feel free to attend it anyway.
