Western House, 1 Holbrook Way, Swindon SN1 1BD
Western House is five minutes' walk from Swindon station. Turn right outside the station into Station Road, turn second left into Beales Close, first right into Cheltenham Street and Western House is directly in front of you.

STEAM Museum, Kemble Drive, Swindon SN2 2TA
The STEAM Museum is about fifteen minutes' walk from Swindon station. Turn right outside the station into Station Road, and after 600 m, opposite the Mechanics Institute, turn right into the former Swindon Works Access Tunnel under the railway. At the end of tunnel follow signs to the STEAM Museum.

Andrew Gainsbury explains the way Wales procures trains and runs its railway.

Summer '23

Summer social

Potential for traditional summer event

Pre-booking ESSENTIAL

More details will be available on website in 2022/3

CHAIRMAN'S NOTE

Welcome everyone to our programme of events for the 2022/23 season. We hope that things are starting to return to what used to be normal and we all look forward to more face to face meetings where the exchange of information I feel is greater. We will attempt to have at least some meetings hybrid to increase their exposure to more people; additional and more up to date information is on our website – see address below.

All our meetings are open to everyone, please do help us to spread this message amongst friends, family and colleagues.

We hope you'll agree that we have an interesting and varied programme of events, including a technical visit to West Ealing station to see the fast charging battery train actually in action.

Our AGM this season is in its normal slot of 24th April and I hope to see as many of you as possible. Please do let us know if you have any ideas for topics or events you would like us to put on. Also have you considered joining the organising committee?

Tom Moore

Chair, Railway Division South Western Centre

Please note that the dates and times are accurate, but the venues may be subject to change. Please check website for latest information.
