Yorkshire Region South Yorkshire Area

Unlocking Operational Intelligence:

The Future of Remote Condition Monitoring

Speaker: Samuel Bussey, Sales Director, Instrumentel Ltd

Samuel Bussey will describe the journey from Exploding Missile and F1 Piston Telemetry through to Remote Condition Monitoring (RCM) in the Rail Industry and how this is now shaping Condition Monitoring in other Industries.
He will also describe the techniques used to convert massive amounts of raw data into meaningful actionable insights

Venue: Crowne Plaza Royal Victoria
Victoria Station Road
Sheffield
S4 7YE

Thurs 4th June 2026

6.00pm: refreshments
6.30pm: start
8:00pm: end

Free and Open to All
