BLOODHOUND SSC – 1000MPH CAR
THE GLOBAL ENGINEERING ADVENTURE

Institution of MECHANICAL ENGINEERS

Improving the world through engineering

JOHN BLACKLOCK
IMECHE BLOODHOUND AMBASSADOR

BLOODHOUND SSC is a unique, high-technology project to design and build a car that will break the 1,000mph barrier and set a new world land speed record.

This lecture will describe some of the technology but also the innovative education approaches that are being used to engage schools, colleges or university students around the Globe – could you become part of it.
