# COMSOL Multiphysics 5.4 Workshop

Wednesday, October 2<sup>nd</sup>  
University of Bolton Ras Al Khaimah  
Campus

This one-day workshop provides an opportunity to explore the capabilities of COMSOL Multiphysics and the Application Builder in a hands-on setting. You'll learn the fundamentals of modeling with COMSOL and set up and solve a model with help from the COMSOL staff.

**Free two-week trial:** Receive your free trial of the software and continue experimenting with your own simulations in COMSOL Multiphysics.
