TECHNICAL LECTURE
THE JAGUAR I-PACE

Speaker: Mike Bradley
Senior Programme Manager, I-Pace, Jaguar Land Rover

Tuesday 15 January 2019
Refreshments from 6:30pm
Venue: Edward Elgar Building, Worcester University, St John's Campus, Henwick Grove, Worcester, WR2 6AJ

The Jaguar I-Pace is the first production battery-powered vehicle from Jaguar Land Rover. Launched mid-2018, it is on sale ahead of all-electric vehicles from established premium competitors.

This talk addresses the development of the vehicle, which features a completely new body structure with front & rear motors that provide four-wheel drive and a large battery that gives substantial range.
