Automobile Division Yorkshire Centre:
Supporting the region's young engineers.

AUTOMOBILE ENGINEERING COMPETITION

FIRST PRIZE £200
SECOND PRIZE £100

Institution of MECHANICAL ENGINEERS

This event contributes towards CPD

Are you an IMechE young member (30 or under) and have an automotive related project which you could present? Groups or teams may also enter.

Examples include undergraduate and postgraduate project presentations or work related projects (with permission). Present your automotive project in 20 minutes to a small panel of IMechE members with Q&A.

A short synopsis (200 words max.) is required by 13th June 2023 (to Admin Officer). Successful entrants will be notified by the 16th June.

Wednesday 28th June 2023 6:30pm.

Venue: Online (MS Teams)

Please register with:
Nicky Baxter, Yorkshire Region Admin Officer.

yorksadmin@imechenearyou.org

The organisers reserve the right to reschedule the competition if sufficient entries are not received. Award of prize money is based on presentations meeting a standard deemed appropriate by the judging panel.

Improving the world through engineering
