This event contributes towards CPD

Are you an IMechE young member (30 or under) and have an automotive related project which you could present? Groups or teams may also enter.

Examples include undergraduate and postgraduate project presentations or work related projects (with permission). Present your automotive project in 20 minutes to a small panel of IMechE members with Q&A.

A short synopsis (200 words max.) is required by 16th June 2022 (to Admin Officer). Successful entrants will be notified by the 17th June.

Wednesday 29th June 2022 6:30pm.

Venue: Online (MS Teams)

Please register with:
