Institution of
**MECHANICAL
ENGINEERS**

The Regional Business Development Manager will be running a workshop on how to become professionally registered and a full member of the IMechE. This is ideal for anyone including Associate members, mid-career engineers and time-served apprentices and technicians.

You will have the opportunity to meet with engineers who have recently gone through the process and in the weeks following the workshop you will be able to submit your application as part of a group submission with interviews arranged locally.

Booking is required for this event.
