

Bath and Bristol Young Members Panel presents:

# PUB QUIZ

**Do you have a brain the size of a planet?**

Take on teams of other engineers in our challenging quiz to find out if you are the brainiest young engineer in the South West. Enter on your own to join a random team on the night, or assemble your own crack team to take on the competition. We encourage teams of up to six people, from all industries and professional institutions, to join us and ensure that the engineering rivalry is at its fiercest!

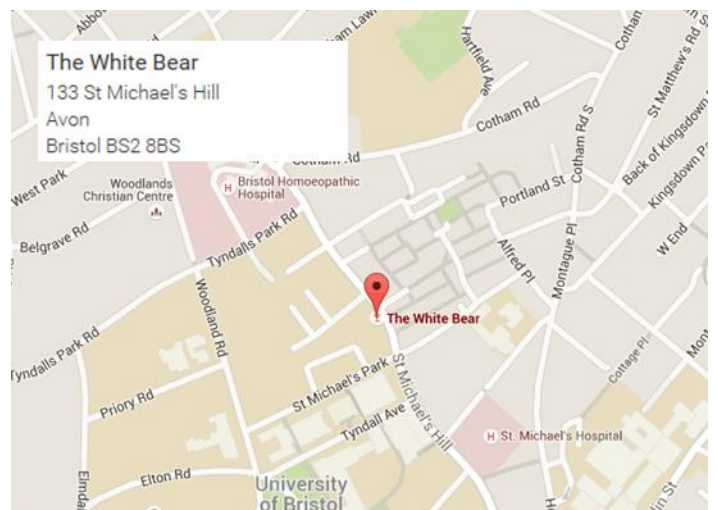

Come and join us at The White Bear to settle the score of who are the brightest young engineers in town.
