### Want to learn more about Professional Registration?

Whether it's something you've thought about in the past and need more information or just curious about what Professional Registration as an engineer or technician means and how it could benefit you and enhance your career, then this forthcoming Presentation and support for your application from the **Institution of Mechanical Engineers (IMEchE)** will be of interest to you. Be part of a Global community, interact with other Engineers, exchange ideas and get the recognition you deserve.

On **11<sup>th</sup> November 2021 at 17:00** Farah Baksh the IMechE Global Relationship Manager will give a virtual presentation.

This event will be of interest to anyone who:

- Is working towards Chartered Engineer, Incorporated Engineer or Engineering Technician Status
- Wants information on the experience and qualifications required to apply
- Wants advice on the application process
- Wants to know more about the advantages it provides

**Tom Probert** CEng MIMechE, Rolls-Royce Deutschland will provide insight on what Professional Registration means to him.

**Ellen Haggart** IMechE library will be providing a demo on how to use the library services, one of the benefits of membership.

**Anni Broadhead** CEO of the IMechE support network will provide information on the Support Network, another benefit of the IMechE and how in times of need, the Support Network can help you and your family
