BOWLING

DISCOVER TALENT &

HIT THE GOAL

We are proud to present you our first cross sub-committee bowling party. Holistic development of members is always our key focus - this event provides opportunity to connect and build networks with members from different sectors in mechanical engineering field. Beginners are welcomed. Don't miss this valuable chance to meet our members and build your networks!

This event is self-financed by participants, payable on site. The fee of the bowling event is about HK$130 to $HK160 per head for playing 2 hours, with limited max. 6 people for 1 lane.

Participants are required to provide Vaccine Pass, and follow the latest "Prevention and Control of Disease (Requirements and Directions) (Business and Premises) Regulation (Cap. 599F)" of HKSAR.

Date: 30 October 2022
